

# 1ST INSTALLER SCHEME APPROVED BY CORGI FENESTRATION

## BENEFITS TO INSTALLERS

- Pearl Window Systems bridge the gap between fabricator and installer with this full support installer scheme, right from your installation to the end-user.
- There are no insurance companies involved, all guarantees, warranties and mediation is dealt with through one portal.
- You can use our scheme for notification and self certification.
- Register your installation just once, we do the rest. No paperwork, no hassle.
- By taking advantage of our extended warranties on all products including hardware, frames and glazing – you will enjoy a more structured approach to Remedials in the future.
- This is a fully approved installer scheme, like no other, approved by CORGI Fenestration – a trusted brand.
- Your customers are invited to use the CORGI Fenestration 'Rate Your Installation' service, building trust between you and your customer.
- With your Skills Card, you can show customers you are trained to the very highest of standards.
- Maintenance' procedures are documented for your customers, giving 100% understanding of their new products and peace of mind for the future.
- Cost per installation registration / address is just £15!
- The fee includes so much more than other schemes provide and is also priced less than many other schemes.

## BENEFITS TO HOMEOWNERS

- There is no cost passed onto your customers for the extended warranties and consumer protection – this is all provided free of charge.
- The homeowner receives full consumer protection, all of which is detailed in their Homeowners Booklet.
- Customers will expect and receive a service second to none, with a full complaints procedure in place, if ever required.
- CORGI Fenestration is a trusted brand, giving customers even more confidence when buying your products and service.
- Customers can use the CORGI Fenestration Rating Scheme, which is a TripAdvisor style rating system, again, giving them the confidence to buy and something a consumer can relate to.
- When customers see your Skills Card, they can be confident in your ability to carry out the work required.
